Friday 12th July 2024

Dear Parents/Carers,

Classroom Refurbishments

We are making some improvements to our school during the summer break. We will be carpeting and decorating all our KS2 classrooms as well as extending our EYFS outdoor area so that we include our new gravel pit. These changes are part of a programme of improvements which will take place during the next couple of years. Thank you for your positive comments about the recent improvements at the front of the school as well as our stunning eco garden.

Sign in System

As many of you will have noticed we now have a new electronic sign in system in our school entrance. This is to further improve the school safeguarding procedures as well as making it easier for our visitors. Our office team will be here to help and answer any questions you have. If you are just popping in to the office with a message or question then you will not need to sign in.

Family Learning Session

We are looking forward to welcoming you all into school again for our second family learning session which starts a **10.45am on Wednesday 17th July**. This will be a great opportunity to enjoy art and craft activities with your children before heading out onto the field for a picnic lunch. Please bring your own chairs, rugs picnics etc. If the weather is bad then unfortunately we will have to cancel the picnic although the family learning session will still go ahead.

Summer Fair

I can't believe that our summer fair is finally here! Please join us from 12pm tomorrow for what promises to be a really enjoyable afternoon. We have musical performances, stalls and games, as well as a delicious variety of food on offer. Your generosity and support is much appreciated and all the funds we raise will go towards resources, new projects and extra-curricular experiences for the children.

Year 6 Play

A huge well done to all our year 6 pupils who took part in the end of year production of Alice in Wonderland. The hard work, dedication and incredible talent they demonstrated throughout the process was so lovely to see. Thank you to everyone who supported us and I'm sure you'll agree that we have some stars of the future here!

Staffing Changes

We are sad to announce that Mrs Watson will be leaving us at the end of the year. Mrs Watson has been an integral part of our teaching team for 3 years and she will be very much missed. Her kindness, patience and dedication have made a long-lasting impact on our school community. We wish her every success in the future.

Goodbye to Year 6

We also say goodbye to our wonderful year 6 class next week as they as they continue their educational journey at their next school. They have been an absolute pleasure to work with and I know staff all say what a fantastic year group they have been as they have progressed through the school. Our leavers assembly starts at **1.30pm on Thursday 18th July** for all our year 6 families, which will then be followed by the Year 6 versus parents rounders match!

As we approach the summer holidays, I would like to wish you all a restful and enjoyable time with your families. Thank you once again for all your support since I joined the school in February. I feel incredibly lucky to be leading a school with such a dedicated staff team, delightful children and a very supportive school community. I look forward to seeing you at the events next week.

Whole School Attendance

Week Commencing 1.7.24

Whole School Attendance

Week Commencing 8.7.24
