Friday 28th June 2024

Dear Parents/Carers,

I hope you are enjoying the recent spell of warm weather. We are certainly making the most of our beautiful eco garden as the sun continues to shine. I'm sure you will agree that our garden is flourishing at the moment.

Bottle Tops Project

Thank you to everyone who collected bottle tops for our eco team project. We have decided to create a large-scale piece of art work featuring a sea turtle in the ocean. We are now only short of blue, green and white tops so if you have any at home then they will be very much appreciated. The finished art work will be mounted on the wall outside our year 3 and 4 playground exit so please look out for it very soon.

Summer Fair Donations

A huge thank you for all the donations so far towards our summer fair. If you can spare anything we are still looking for tombola prizes, bottle donations for our bottle stall as well as teddies and Jolly Jars. There will be lots of great activities for all the family so we do hope as many of you as possible can join us on the day.

Parent Focus Group

We are looking forward to our first parent focus group next week. If you would like to join us then please follow the link provided to confirm your attendance. This will be an informal meeting where you can raise any issues or make suggestions to further develop school. Our first meeting will be on **Tuesday 2nd July at 2.15pm**. It would be great to see as many of you as possible. The meetings will be 'drop ins' so please don't feel that once you sign up you will need to attend all meetings.

End of Day Arrangements

We are now opening the gate just after 3pm so you can wait in the playground until the end of the school day. This is to avoid the queue which forms outside the school and hopefully gives you a more sociable pick up experience rather than queueing. If you could make sure that KS1 teachers have room to bring out their classes onto the playground then we can dismiss them safely from our class lines.

Sports Day

We are looking forward to our sports day on Thursday 4th July if the dry weather continues. If we are unlucky and it is raining then we will let you know via email by 8.30am on the day. The alternative date, should we need to cancel is Thursday 11th July.

Sun Cream and Hats

Can I please remind everyone to apply sun cream before school so that children are able to stay out in the sunshine as much as possible. This is particularly important in EYFS as our children can be learning outside of the classroom for a significant part of the day.

Thank you for your continued support and involvement in our school community. We look forward to the last few exciting weeks in school before our summer break.
