Dear Parents & Carers,

As we come to the end of another busy and productive half term, we would like to thank all our families for their continued support. This final newsletter brings you the latest updates and important information as we look ahead to the second half of the summer term.

We are delighted to announce that Mrs Richmond is expecting a baby and will be commencing maternity leave next year. In preparation for her leave, we will be conducting interviews for the Year 5 teaching position on Tuesday 3rd June. Parents of current Year 4 students will be notified once an appointment has been made. To support continuity for our current Year 5 students, Miss Douthwaite will continue to teach them as they move into Class 6 next year. Please be assured that our usual transition arrangements will be in place to support students as they move into their new year level. We also remind families that the 'Meet the Teacher' evening will be held on **Thursday 3rd July**, providing an important opportunity to support a smooth and positive start to the new school year.

If you have any questions or concerns, then please do get in touch with me via the school office.

PTA

A huge thank you to our amazing PTA for funding the fantastic new playground markings—our children are already enjoying them! These projects simply wouldn't be possible without the generous and ongoing support of our school community.

We're looking forward to the PTA's upcoming **Summer Picnic Night on Friday 23rd May**. There's no need to buy tickets—just come along and enjoy a relaxed evening with friends and family. We're especially excited to welcome a **ukulele band**, who will be providing live music throughout the event.

After half term, **Frozen Fridays** will be back! Lollies will be on sale after school each Friday.

Looking ahead to the **Summer Fair**, we are asking for the following donations:

- **Week commencing 2nd June – Bottle Stall donations:** We welcome bottles of wine, fizzy drinks, bubble bath, shampoo, or any other sealed and in-date bottled items. Alcoholic and non-alcoholic donations are all appreciated, but please hand any alcoholic items directly to the school office.
- **Week commencing 9th June – Tombola donations:** We're collecting items such as small toys, games, toiletries, and unopened gifts—anything new or nearly new that would make a great prize.

Thank you in advance for your support!

Key Stage 2 Playground

Please note that the artificial grass area on the KS2 playground is now out of use. We kindly ask that parents collecting children stand on the main playground area rather than on the grassed section. Thank you for your understanding and cooperation.
