Friday 13<sup>th</sup> June 2025

Dear Parents & Carers,

As we head towards the final few weeks of the academic year, there's lots happening in school! Thank you, as always, for your ongoing support and involvement — it makes such a difference to our pupils and school community.

### **Family Learning Session & Picnic – Tuesday 15<sup>th</sup> July 10.45am**

Our last Family Learning Session will take place on **Tuesday 15<sup>th</sup> July**. The theme of the session will be our **Personal Development Curriculum** — an important part of school life. There will be a short presentation in the school hall from 10.45am and then an opportunity for you to spend some time in classrooms with your children. We will then head out to the field for our picnic. Please bring your own chairs, rugs picnics etc. If the weather is bad, then unfortunately we will have to cancel the picnic although the family learning session will still go ahead.

### **Sun Cream and Hats**

Can I please remind everyone to apply sun cream before school so that children are able to stay out in the sunshine as much as possible. This is particularly important in EYFS as our children can be learning outside of the classroom for a significant part of the day.

### **Summer Fair - Saturday 21<sup>st</sup> June**

Our much-anticipated **Summer Fair** is nearly here! Thank you to everyone who has already donated items and offered help. Last-minute donations (Jolly Jars, tombola prizes, bottles etc.) are still very welcome — please leave them in the collection bins at the school gate.

We look forward to seeing as many of you as possible on the day. The weather forecast is looking promising!

### **Lateness**

We have recently noticed an increasing number of pupils arriving late to school. A prompt start to the day is so important — it ensures children are settled, ready to learn, and don't miss out on valuable learning time or disrupt the learning of others.

**School starts at 8:45 AM**, and gates close at 8:50 AM. Please aim to arrive on time so your child can start the day positively with their class. Thank you for your cooperation.

### Parent Focus Group

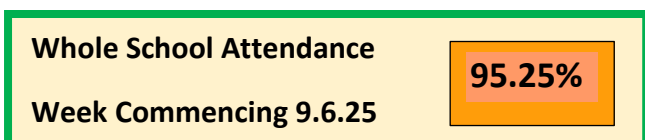

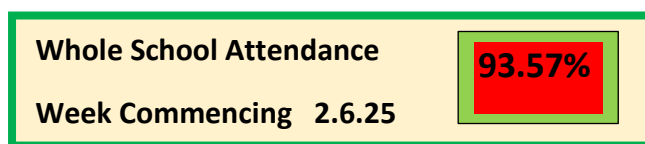

We are looking forward to another of our parent focus groups next week. This will be an informal meeting where you can raise any issues or make suggestions to further develop school. The meeting will be on **Thursday 19<sup>th</sup> June at 2.30pm**. It would be great to see as many of you as possible. The meetings will be 'drop ins' so please don't feel that once you sign up you will need to attend all meetings.

### Frozen Friday

We're pleased to say that Frozen Fridays will continue throughout this half term! Ice lollies will be on sale for 50p every Friday after school at the front of the building. All proceeds go towards supporting school projects and events for our pupils. A huge thank you to our amazing PTA who volunteer their time each week to run the stall — we really appreciate all that you do!

Thank you, as always, for your continued support. We really value the strong partnership we have with our families — it plays such a vital role in the success and happiness of our children.

If you ever have any questions, concerns, or feel your child or family would benefit from support, please don't hesitate to get in touch with us. We're always here to help.

Yours Sincerely,

Mrs L Wade
