Dear Parents and Carers,

As we approach the end of the spring term, this is our final newsletter before the Easter holidays. It has been a busy and productive term, and we are so proud of all our pupils for their hard work and enthusiasm. We hope this newsletter keeps you up to date with the latest news and events as we look forward to the summer term.

### Parent Survey Reminder

A gentle reminder to complete our parent survey if you have not already done so. Your feedback is incredibly important to us and helps shape future developments across the school. Please take a few minutes to share your views using the link below:

### Summer Term Dates

Attached to this newsletter you will find a dates sheet for the upcoming summer term. This includes key events, trips and important diary dates. We encourage you to keep this handy so you can stay up to date with everything happening in school over the coming months.

### Staffing Update

We are pleased to share our staffing structure for the next academic year. Following the success of last year, we will be continuing with the same transition arrangements and would like to thank parents and carers for the positive feedback on how well this supported pupils.

There will be a 'Meet the Teacher' event for families, alongside a transition booklet for all pupils to help them prepare for their new class. Pupils who would benefit from additional support will also be offered extra visits to ensure a smooth and confident transition.

As part of our ongoing commitment to providing the very best education, we will be appointing a new teacher to join our Year 2 team for September. We are excited about this addition to our staff and will share further updates once the appointment process has been finalised.

### PTA Events and Playground Development

Our PTA have been busy planning a range of exciting events for the summer term, including a summer picnic and the much-loved Summer Fair. Funds raised from these events will go towards developing the area next to the KS2 playground, near the outdoor play equipment shed. Our aim is to transform this space into an all-year-round seating area that children can enjoy for relaxation, social time and outdoor learning.

We would like to extend a huge thank you to everyone who continues to support our PTA events. Your generosity and involvement make a real difference to the experiences we are able to offer our children.

### PE Days and Uniform

Here are our PE days for next term and we ask that all pupils come to school wearing their smart PE uniform on these days. Wearing the correct PE kit is important for safety and participation, and it also helps children feel part of the team. We understand that sometimes items can get misplaced, so we do have spare PE uniform available for any child who does not have the correct kit. Thank you for helping us keep everyone active and ready to learn.

### Using the School Website

Don't forget that our website is a great way to keep track of all the exciting things happening next term. Under the Children tab, the Class Hubs section has details about the topics being studied, photos, and information about each class. Parents can also find key documents, the school calendar, newsletters, and more under the Parents tab. It's a handy way to stay informed and involved in school life.

We wish all our families a lovely Easter break, and we look forward to welcoming everyone back for the summer term. We will return to school on **Tuesday 14<sup>th</sup> April.**

Kind regards,
