Friday 8th May 2026

Dear Parents/Carers,

We cannot quite believe that it is nearly half term already! We are heading into a very busy final couple of weeks before the break, with lots of exciting events, activities and opportunities taking place across school. Thank you, as always, for your continued support in helping school life run so smoothly during this busy time.

Parent Focus Group

A reminder that our Parent Focus Group will take place next Friday 15th May at 2.30pm. Our Chair of Governors, Mr Stewart Morris, will also be joining us. This is a valuable opportunity to meet informally, share ideas and discuss ways that we can continue to improve our school together. Please follow the link provided to confirm your attendance. We would love to see you there!

Summer Lunchtime Arrangements

As the warmer summer weather approaches, we are looking forward to making as much use of the school field and outdoor areas as possible. Please ensure that children come to school with sun hats and sun cream applied before school if needed. Children do not need to bring sunglasses into school. Thank you so much for the generous donations we have already received for our play and outdoor provision. We are still happily accepting donations of dolls, prams, rugs and similar items that can support imaginative play. Your continued support is greatly appreciated.

PTA Donations

The PTA are approaching their busiest and most exciting term of the year. We are very much looking forward to our popular Summer Picnic Evening as well as the Summer Fair later this term. Donations for the fair stalls will soon be open, and we would like to thank everyone in advance for their ongoing support and generosity in helping make these events such a success for our children and families. As always, we will be asking for our usual donations of teddies, Jolly Jars, bottles for the bottle stall and tombola prizes ahead of the Summer Fair. For our new parents who may not have taken part before, these donations are collected on a weekly basis and can be dropped into the PTA box at the school entrance near the notice board. Thank you in advance for supporting these events so generously.

Non-Uniform Days

A huge thank you also to those families who regularly support our non-uniform days through the suggested £1 ParentPay donation. These contributions really do make a difference and help us to continue purchasing new resources and books for our school library for all children to enjoy. Last term, 24% of families made a donation and we are incredibly grateful for every contribution received, no matter how small. Your ongoing support helps us to continue to buy resources across school for all our pupils.

Hand, Foot & Mouth

We have had one confirmed case of Hand, Foot and Mouth Disease in school this week. Hand, Foot and Mouth is a common childhood illness and most children recover quickly; however, we kindly ask parents to monitor for symptoms and encourage regular handwashing to help reduce the spread of infection.

Year 6 SATs

Finally, we would like to wish all of our Year 6 pupils the very best of luck for their SATs next week. If your child is in Year 6, please remember that we will be offering our free Breakfast Club in the hall each morning before the tests begin. We hope this provides a calm and positive start to the day for all children taking part.

Upcoming Events

Year 6 SATs	w/c 11 th May
Year 2 Trip to Whitby	Thursday 14 th May
Year 3 Malton Sports Centre Event	Wednesday 13 th May
